**BRAIN DUMP**

Write, draw a picture, create a mind-map on everything you know about a topic.

Give yourself a time limit, say 5 minutes, then have a look at your books & add a few things you forgot.

**QUIZZING**

Create practice questions on a topic. Swap your questions with a partner & answer.

Question - What is a metaphor?

- ☐ A comparison using 'like, as, then'.
- ☐ A comparison where one thing is another.
- ☐ A comparison with a human attribute.

**FLASHCARDS**

Create your own flashcards, question on one side answer on the other. Can you make links between the cards?

You need to repeat the Q&A process for flashcards you fail on more frequently & less frequently for those you answer correctly.

**KNOWLEDGE ORGANISERS**

Complete a knowledge organiser template for key information about a topic.

|            |                |

# Exam Entry Routines – New rules

- With new rules for your year group, we are asked to report on the following to the exam boards, which may lead to a disqualification:
  - Any talking out loud inside the exam room that is not directly to an invigilator
  - This includes talking when you're walking in to find your seat
    - You can ask for advice, but you must put up your hand/indicate to an invigilator before communicating
  - Writing down details before instructed
    - You should wait until the point at which the invigilator instructs you to write your details on your paper and not write these when you first come in
    - This happens in the first section – the bit where the invigilator talks to all candidates

# On your exam day

This checklist will help you to be as prepared as possible for your exams, so that on the day itself you can focus on doing your best.

## Before sitting your exams, ensure you know:

- ☐ the date, time and location of your exams – you might find it helpful to write this information in a calendar or planner
- ☐ who to contact at school or college in case there's an emergency that makes you late or unable to sit your exam

## What you cannot take into exams:

- ☐ any type of phone
- ☐ revision notes
- ☐ any type of watch (this includes analogue, digital and smart watches)

## What you will need:

- ☐ a clear pencil case
- ☐ at least two black ink pens – blue pens are not acceptable
- ☐ an approved calculator for relevant exams
- ☐ appropriate apparatus such as a ruler or protractor for relevant exams
- ☐ a clear water bottle if you wish to take one in – it must not have a label

## Other important information:

- ☐ Listen carefully to the invigilator's instructions which will be specific to your exam. If you are unsure of anything, please raise your hand and wait for the invigilator.
- ☐ Fill in your details on the front of your answer booklet.
- ☐ If you need additional answer sheets, raise your hand and wait for an invigilator who will provide you with one. Remember to add your details to this booklet too.
- ☐ If you need to use the toilet or feel unwell, raise your hand and wait for an invigilator who will escort you from the exam room.
- ☐ Make sure you stay silent – talking to a fellow candidate could result in disqualification from all your exams.

If you have any questions about the format on the day, please ask your teacher or exams officer.
